

## **1. Content of the on-line offer**

The author takes over no guarantee for the actuality, correctness and completeness of the information provided on these sides. Basically there are excluded liability claims against the author of these sides which refer to damages of material or ideal kind and by which use or disuse of the provided information or wrong and incomplete information have been caused, provided that from sides of the author no provable deliberate or roughly negligent fault is given.

All offers are free and non-binding. The author reserves himself expressly to change shares of his sides or the whole offer without special announcement, to complement, to remove or to hire the publication at times or completely.

## **2. References and hyperlinks**

A liability with direct or indirect references to foreign Internet sites ("links") which do not lie within the area of responsibility of the author would exclusively become effective if the author has knowledge of the contents and it would be technically realizable and would be reasonable to prevent the use in case of illegal contents. That's why the author dissociates himself from any contents of the linked sides which were changed after the link settlement. The author disposes of no influence on the current or future design, the shown contents or the authorship of the tied up sides. That's why the author dissociates himself from any contents of the linked sides which were changed after the link settlement. This statement keeps her validity for all links sedate within own Internet offer and references as well as for external entries in visitors' books furnished by the author and mailing lists. For everybody unlawful, wrong or not entire contents and particularly for the possible damages which originate after the use or disuse such of offered information, only the liability lies with the supplier of the side to which was expelled.

## **3. Copyright and sign right**

The author pays attention to the fact that in all publications the copyrights of the used pictures, sound, video scenes and texts are noticed, are used themselves erected pictures, sounds, video scenes and texts or that sound, video scenes and texts is fallen back on pictures free of license. If protected brand names and trademarks are used within the Internet offer or are called if necessary by third, these are defeated without exception by the regulations of the in each case valid sign right and the possessory rights of the respective registered owners. On account of the sole naming the conclusion cannot be drawn that these brand names are not protected by the rights of third! The copyright for published and self-compiled properties remains only with the author of the side. The duplication and the use of these pictures, sound, video scenes and texts in other electronic or printed publications are not permitted without explicit approval of the author.

## **4. Data security**

If possibilities are offered within the on-line offer to give administer personal or business dates (email addresses, names, addresses), this expressly follows on voluntary basis on the part of the users.

## **5. Validity of this exclusion of liability**

It is a matter of looking at this exclusion of liability as a share of the on-line offer from which was pointed out to these sides. Should single segments or formulations of this text not correspond any more to the valid legal situation or not be entire, all the other shares of the document concerning her content and his validity remain untouched.
